Garage Sale: November 2012

Dear Parents and Students:

As part of our fundraising plan for Sun Peaks 2013, the FNSS Music Department will be hosting a garage sale at FNSS Saturday, November 17 from 9am until 1pm. If a student wishes to participate in this event, they must “reserve” a table for \$10 in advance. This table is their space during the event and they must remain at the table 100% of the time to be responsible for all the sales. Students will also be expected to have a small float. All of the profits they make from selling their goods will go directly into their travel account.

We will also be accepting donations from other members in the community to form a “general” section to the garage sale. The profits from this area will be split equally among all members in the band (including those who have their own table and those who are not in attendance). All the table reservation fees will be split equal among all those traveling.

If you are interested in reserving a table for the garage sale, please fill out the form and return it with the \$10 fee no later than November 14.

Questions about the event? E-mail or call the school and I’d be happy to discuss it with you.

Sincerely,
Mr. Johnstone
